Dear John:

On the occasion of your retirement I would like to express warmest regards and congratulations from your many friends and admirers in NPIC. Your support and understanding of our common objectives have fostered a fine working relationship between our two organizations. Personally, I am most appreciative of your most cooperative and constructive attitude which has meant so much to us in the past.

I wish you well in your future endeavors. If time and circumstance permit, we should be very happy to have you revisit us. You will always be a welcome guest at NPIC.

With best regards for health, happiness, and continued success.

STAT

Sincerely,
